

I'm concerned about a proposal to allow LPFM stations to take priority over current FM translator services.

I listen to K-LOVE every day, and it would be a detriment to me and to my community to lose this signal.

It is one of the rare truly family-friendly stations available anywhere.

I and many others receive much encouragement from listening to it, including encouragement to treat those around us with respect, courtesy, kindness, and love.

This would be missing without K-LOVE. Please do not pass a proposal that could remove this station from my community.
